

Building to Serve

DREAMS! We all have them.

Our **DREAM** is to have a Community Centre we can call home and for the future of our children. For 36 years, the Jamaican Canadian Association (JCA) has been building brighter futures for our youth. JCA serves more than 26,000 people each year and our dedication is deeply rooted in the recognition of the value and dignity of each individual. Our approach is participatory and has proven to be effectual in empowering individuals.

The focus of JCA is: **"Our Community. Our Children. Our Culture"**.

It is imperative we continue to reach out to and address the needs of our community, our children and in maintaining our culture.

HOW CAN YOU HELP? By participating in our "Buy A Brick" Campaign!

Last year, we launched our Building Campaign toward renovating for a Community Centre in an effort to expand our services to the community. Join our campaign and buy a Brick. With your help we can build hopeful tomorrows for our children and their children.

HOW MUCH DOES A BRICK COST? \$10.00. Yes! for \$10.00 you can buy a piece of the future.

For \$10.00 you can buy a brick for yourself, the entire family or for a loved one who has passed away. Buy a Brick and you will be helping us meet the urgent needs of our future generation.

Your contribution will have long-term recognition. Your name (and/or the names of family members) will be inscribed on a Brick and be placed in a special area in the Community Centre.

Available services at the Community Centre will address the many needs of our clients through the development of extensive social, recreational, cultural and educational programs and community economic development initiatives that will assist persons in areas of employment, training, including various programs for youth and seniors.

The Community Centre will also be a place where you can feel free to meet with friends and family. In other words, the Community Centre is **"YOUR PLACE"**.

Like Martin Luther King, we have a **DREAM**. Working together, we can make our dreams come true.

Fill out the attached coupon and return in the self-addressed stamped envelope to the JCA. You will receive a charitable income tax receipt, so please print your name and address clearly.

Thank you for your contribution.
